

Announcement 1

Dear Young Researchers and Mycology Enthusiasts,

we are pleased to invite you to the **7th edition of MycoRise Up! Youth in Mycology conference**, which will take place from **5th to 7th of June, 2026**. The conference will be held in [European Centre of Geological Education](#) of University of Warsaw in **Chęciny, Poland**. The scope of the conference covers **every topic connected with fungi and fungi-like organisms**. The event is being organised by [Biology of Microorganisms Students' Society](#) of Faculty of Biology, University of Warsaw and [Polish Mycological Society](#).

This conference is meant to create a safe environment **for young scientists** (undergraduates, master's students and PhD candidates) to practice their presentation skills, discuss their research and network with other fungi researchers. Consequently we **welcome both original research as well as literature review** in the form of **oral or poster presentations**. We encourage all attendees to actively participate in the conference.

All abstracts, presentations and posters must be in **English**, which will ensure the inclusivity of the conference. The abstracts will be assessed by the scientific committee of the conference. The committee will propose improvements if necessary and will be in charge of accepting the abstracts.

The organising committee **aims not to charge** active participants a conference **fee**. The final information considering the possible charges will be announced later in the following communicates. However the possible **fee will not exceed** 70 PLN (approx. 17 EUR).

Save the date and follow our [social media](#), where we will also publish more information about the conference! If you have **any questions**, please contact us at **our official e-mail address** (mycoriseup2026@gmail.com).

All the best and fungiest,

Organising Committee

*Beniamin Abramczyk
Dorota Wiktorowicz
Michał Kochanowski*
